IF THESE WALLS

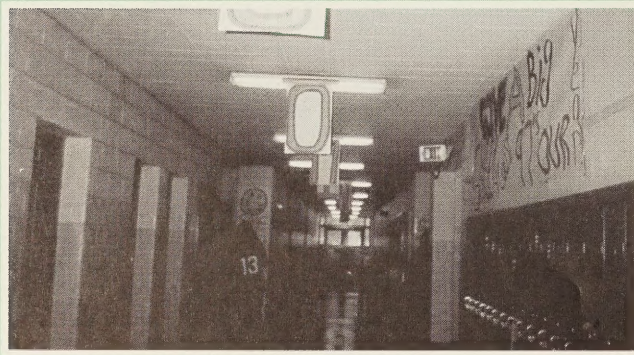

The walls in Clintwood High School have long provided the support that has helped our school stand firmly. These walls are special to us because inside them we have made the memories that will remain in our hearts forever. Although no one could possess more memories, both good and bad, than these walls, we hope this book reflects upon the everyday experiences that occur in our school life. And though we are curious, it is probably best that we do not know what they would say, if these walls could talk...

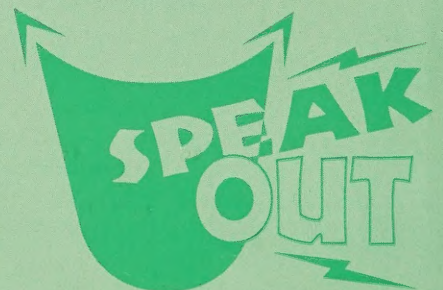

"Walls are so willful to hear without warning."

— Shakespeare
A Midsummer-Night's Dream

She
HE SAID

"Walls have tongues and hedges ears."
— Jonathan Swift
A Pastoral Dialogue

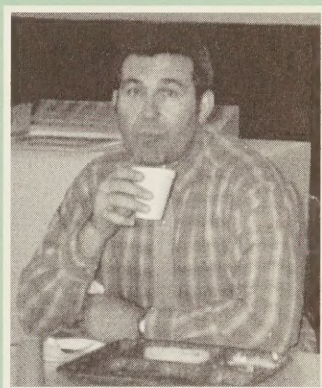

COULD TALK...

"A white wall is fool's paper."

— James Sanford
Hours of Recreation

"The Bloated Wall"

*"A hole is nothing at all, but you can
break your neck in it."*

— Austin O'Malley

LOOK

*"What is more enchanting
than the voices of young
people when you can't
hear what they say?" -
Logan Pearsall Smith*

*"...Even walls fall
down."
— Tom Petty*

If the walls of CHS could talk, they would forever speak of the many experiences, both good and bad, of the class of 1998. As time goes by, our moments will be remembered and cherished in the hearts of every senior. (Not pictured: Carrie Bryant, Roy Matthew Hill, and Albert McPeck.)

DID YOU

KNOW

Sports is an integral part of the high school experience, and Clintwood High is no exception. The following pages will give you an idea of the courage, perseverance, and skill of our student athletes. Male or female, we love to fight it out on the field, the court, and the track. Whether participating in a team sport, such as football or basketball, or a more individual-oriented sport, such as tennis, our Green Wave athletes have made their mark on the bodies, hearts, and minds of opponents and fans.

With the perennial success of girl's volleyball, the power and finesse of the football program, the untiring young men and women of our basketball teams, and the constant support of our ever-enthusiastic cheerleaders, it is no wonder that sports at Clintwood High is a beloved mainstay of the community.

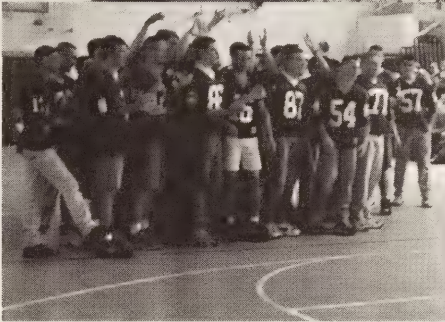

Ever encouraging to our sports heroes, CHS's cheerleaders spread spirit at the ballgames.

Tennis, anyone?

HOMECOMING '97

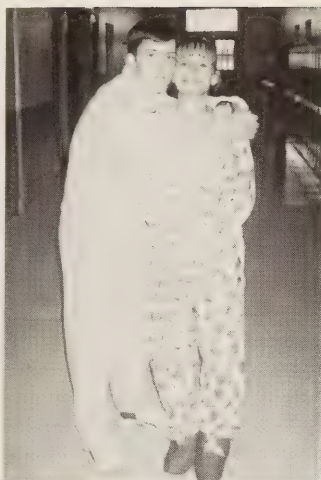

Homecoming is always a terrific week! Everyone looks forward to transforming into something they're not, something they want to be, or just something wild! "Support Your Team Day" started off the week. Then came "Hunting For Victory Day", "Sweet Dreams To The Rebels Day", followed by "Get Down To Business Day", and "Support the Men In Green Day".

At the Homecoming football game against the Ervinton Rebels, the Greenwave came through with a win of 42-0. After the game, everyone made memories enough to last a lifetime, and if these walls could talk, we would have enough to fill this book!

(Clockwise from Top Left) : Excited freshmen at 1997 Homecoming Pep Rally; Samantha laid back with friends on "Sports Day"; Amanda & Brad lovin' on "Sports Day"; Seniors smile for the camera; Robbie & gang ready to hunt; Jimmy, Robert, & Bradley; Coach Mullins' street law class hunting for Rebels.

Meldon strips at Pep Rally.

The 1997 football team was an unexpected success. Finishing 7-3, Meade's young team proved themselves to be talented as well as dedicated. The boys had to work very hard to replace the fifteen seniors lost from last year's team. Despite any doubt, the boys proved that with hard work and effort they could compete with many of the more experienced teams.

Coach Meade takes time out for picture with his son, Brandon.

Brandon dazzles all with amazing catch.

One of the more pleasant aspects of the 1997 season was CHS's participation in the LPD Playoffs. The first round of Playoffs pitted CHS against Haysi with the Wave victorious, 20-12. The second round matched CHS with Powell Valley. The Vikings conquered, 41-21, but if playing your heart out makes one a winner, our boys were the true winners! Great season, guys!

Besides sports, clubs are one of Clintwood High School's main sources of entertainment. Clubs are a way for students to get involved in school activities while having fun with other students. They provide opportunities for students to use their skills, such as in the Drama Club talent shows, FBLA competitions, and the organization of the After Prom Party sponsored by SADD. The clubs for which students compete, such as FBLA, can help students decide what kind of career into which they may want to go. CHS's clubs are an essential part of our yearly activities.

If these walls could talk, the images of the Class of 1998 would appear, weaving in and out of every crevice; but, if the clock were to be turned back and eyes were to gaze deeper into the brick, the youth of the Class of 1998 would forever leave its impression upon our minds. The clock has been turned back, and a deeper look has been taken. Here is what has been found beneath the brick.

Elijah Dewayne Meade

May 20, 1980 - October 31, 1993

"God's finger touched him, and he slept."

— Alfred, Lord Tennyson

We, the senior class, dedicate this edition of the "Green Knight" to the memory of Elijah Dewayne Meade. Elijah was a true friend who will continue to live in the hearts and minds of all who knew him. Elijah's character, humorous nature, and kindness will always serve as an example for us to follow as we aspire to be our very best.
